“Working with entrepreneurs and businesses to develop tax reduction strategies, while looking to maximize business value for the owners is one of the parts of my career I have loved.”

Frank currently serves as a Tax Director at Schreiber Advisors P.C. (the “Firm”), providing tax compliance and consulting, accounting, and advisory services to a wide range of clients across several industries with a concentration on real estate, manufacturing, and construction industries.

Frank leverages his industry experience, technical skills, and broad knowledge of issues to provide high-quality tax and advisory services in a timely and efficient manner. He has a broad knowledge of taxation and business consulting to provide high-quality advisory services to his clients.

Frank previously spent a great portion of his career with a National CPA firm in their Real Estate and Construction Services Team and advising high net worth individuals and families in Estate and Generation planning. Additionally, He has held the position of CFO of an E commerce business overseeing their financial, sales and business operations with sales in excess of \$50 million. Frank has also served as CFO of a national Industrial Electrical Contractor with sales in excess of \$175 million and led an organizational sale of the entity from the founder to an Employee Stock Ownership Plan.

Frank also is involved in his community through various organizations and understands the value of hard work and having a great reputation, both as a professional and serving the community. It is important for him to have fun with his family and give back to the community.
